Benefits are paid in March, June, September and December. The Rules say that payment is not due until the end of the month. However, experience shows that payments are particularly welcome at certain times of the year and we try specially to ensure that you receive the December payment as early as possible in the month.

To enable us to get payment to you as quickly as possible, we can transfer payment directly into your bank account. This saves time between our posting a cheque and your receiving it, the delay in cheque clearance and the possibility of the cheque being lost in the post or otherwise mislaid. It must be your own bank account; we cannot take responsibility for payment on your behalf into someone else's account.

For payment by this method, please complete the following details:
