To enable us to get payment to you as quickly as possible, we can transfer payment directly into your bank account. This saves time between our posting a cheque and your receiving it, the delay in cheque clearance and the possibility of the cheque being lost in the post or otherwise mislaid. We will, of course, send written confirmation of the transfer. It must be your own bank account; we cannot take responsibility for payment on your behalf into someone else's account.

For payment by this method, please complete the following details:
